RE: Extension Request Dated May 8, 2006

Dear Mr. Sanicola:

The Missouri Department of Natural Resources has reviewed Modine's request for a 30-day extension dated May 8, 2006. Modine's letter does not provide sufficient justification to warrant an extension. The issues raised in the department's April 7, 2006, letter are not new and Modine has had sufficient time and opportunities to evaluate and respond to these issues. Therefore, Modine must either submit the required Work Plan by the letter deadline (May 15, 2006) or submit a request, with adequate justification, for an extension to submit the required Work Plan and a proposed date for submittal of the Work Plan by May 15, 2006.

If Modine fails to comply by this deadline, Modine will be considered out-of-compliance and the department will invoke Section XVIII. – Delay in Performance/Stipulated Penalties of the Corrective Action Abatement Order On Consent.

If you have any questions, please contact Christine Kump-Mitchell, P.E., of my staff at the Missouri Department of Natural Resources, 7545 South Lindbergh, Suite 210, St. Louis, MO 63125-4839, or by phone at (314) 416-2960.

Sincerely,
